

## Current cohort curriculum information during academic year 2017-2018

*Education is currently in a period of considerable reform. New qualifications and new methods of assessment are being phased in over the next few years at both KS4 and KS5. As a consequence some cohorts will be continuing with legacy qualifications while others are beginning the new courses.*

*Whilst our website reflects curriculum information pertinent for the next point of entry*

**this document reflects information relating to students in current cohorts during the academic year 2017/18**
