

Request for A Level Priority Review of Marking - Summer 2017

Please apply for a priority review of marking for the examination paper described below.

I confirm that a 2017 university place depends on the outcome of this priority review of marking.

Payment must be made by sQuid before returning this form, please attach a copy of the sQuid payment confirmation to this form.

If you want a copy of the reviewed script, it **must** be requested at the same time as the review of marking. It will not normally be possible to appeal the outcome of a review of marking without a copy of the reviewed script.

Each priority review of marking must be on a separate form.
