

10/11/16

Dear Parents,

World Challenge expeditions to Ecuador/Nepal summer 2018

Further to the information collected at the launch meeting (or from reception for those who were unable to attend), I would like to clarify the terms regarding students who do not carry on into the St Olave's Sixth Form. As a school, we are only able to take current students on trips, for numerous reasons, therefore I have contacted World Challenge to confirm their refund policy. Their official quote is the following:

“Students who are not accepted back in to St Olave's Grammar School due to grades will be eligible for a refund and will only lose their first instalment of £150. We would require written notice from the school once the decision has been made. Any withdrawals for any other reason will be subject to T&Cs. If the student would like to still attend a World Challenge Expedition there are other options we can look into as we offer a Project Independence for individuals that are interested in taking part in an expedition but for whatever reason haven't had the opportunity to do this with their peers.”

More information and the T&Cs can be found at:

<http://www.world-challenge.co.uk/>

Please do not hesitate to contact me if you have any questions via my email, sheraghty@saintolaves.net .

Yours faithfully,

Siobhan Heraghty
