Dear Parent(s)/Carer(s)

Due to the number of requests after the previous order deadline, I will be placing a second order for the OCR GCSE revision guide for Design and Technology. We are recommending this guide to all GCSE Design & Technology (9-1) students as it contains excellent notes and questions for preparation for the exam students will sit at the end of Year 11. These will be available at the reduced rate of £8.99. We will not be placing any further orders for the GCSE textbook.

If your son would like a copy of this revision guide please make payment via Squid by **Monday 13th November**. This will be the last order the department will make this academic year.

If you have any questions regarding this please don't hesitate to contact me.

Yours sincerely,

Rosie Hawley

Head of Design and Technology
