Dear Parent(s)/Carer(s)

Re: Year 11 Global awareness day – Wednesday 8th November

'Global awareness' is an all-day event run by the RS department, involving all Year 11 students, taking place in school on Wednesday 8th November 2017.

Students will not attend their normal timetabled lessons during periods 1-2 and 5-6 (they will take part in Games during periods 3-4); instead they will spend periods 1-2 working with a representative from Christian Aid and periods 5-6 with a Pastor from a local church. The purpose of the day is to extend the provision of religious education into Year 11 which was highlighted as an area for development in the 2017 SIAMS inspection report. It will enable students to learn about and evaluate the attitudes of the Christian church to poverty both in the UK and abroad. Students will listen to the visiting speakers and have the opportunity to take part in a range of thought provoking discussions on the questions they raise.

We look forward to an enjoyable and constructive day.

Yours sincerely

Andrew Lake

Head of RS

Matthew Twose

Head of Year 11
