

Saint Olave's Grammar School

London 1571

Acting Headmaster: A. Rees BSc.

DJB/LMD 9th March 2018

Dear Fellow Parent,

I am contacting you on behalf of the Parents' Association, which is complementing the School's careers programme with an initiative of its own – a careers fair which will take place in the Great Hall on Wednesday 2nd May, 2018 between 2.00pm and 6.00pm.

This event will enable St Olave's students to meet experienced career professionals as well as more recent entrants to a variety of careers. Using a format borrowed from speed dating, the event is designed to give as many students as possible the opportunity of personal, one-to-one meetings, and the confidence to ask questions and seek guidance in an informal, friendly environment.

A number of parents and friends of the school have already confirmed that they will participate. However, we are still interested in hearing from more individuals in any career who are available and willing to meet students, either for the whole four-hour period or for a shorter time, as personal schedules permit. In particular, we are looking for professionals in engineering, economics, journalism, design technology, and geography-based careers.

To respond, please complete our brief questionnaire at

<https://www.surveymonkey.co.uk/r/StOlavesCareerNetwork>

Please note that the Parents' Association is operating this questionnaire and maintaining the database to assist the School, and the data provided will not be used by the PA for any other purpose.

The PA thanks everyone who has volunteered to advise and guide St Olave's students as they contemplate decisions on school subject options, university courses and careers, and as they endeavour to learn crucial skills for their professional lives ahead.

Finally, if you would like to join the Careers Fair team, I would be happy to hear from you at Lauracovill2000@gmail.com or on 07530 736170.

Many thanks.

Kind regards

Laura Covill

Year 11 Parent

Volunteer Coordinator of PA Careers Fair
